

Registration Process:

- 1.) Fill out this survey.
- 2.) Once you've filled out this survey, submit the \$32.00 league fee.
- 3.) Once I have received the League Fee and the required information on this survey, I will add you to the event roster. You'll receive an e-mail from USA Ultimate that will ask you to confirm your participation in the league, and be required to submit the Event Fee if you do not have a USA Ultimate ID Number. I would recommend buying a membership if you plan on playing club or college in the 2018 season.
- 4.) Only once the League and Event fee's are paid shall your spot be reserved.

Note: Due to time and space constraints, this session of league will be capped out at 64 participants (at least 20 of which will be women). Should the session be capped out, meaning I have received payment from 64 participants, a wait list will then be started.

Other than that, if there are any questions, please let me know!

Fee's:

Two separate payments are now required for a full registration.

 - a. If you plan on playing in the club and/or college season, I would recommend purchasing a full membership right now. It will pay for itself.
